

Explanatory remarks

on the draft amendment to the Regulation of the Provincial Government laying down detailed provisions concerning the technical requirements of lifting equipment and the safety inspection, conversion and modernisation of non-CE-marked lifting equipment (Tyrolean Lifts and Lifting Equipment Regulation (*Tiroler Aufzugs- und Hebeanlagenverordnung*, TAHV) 2015

I.

General

A.

The Regulation of the Provincial Government of 7 July 2015 laying down detailed provisions concerning the technical requirements of lifting equipment and the safety inspection, conversion and modernisation of non-CE marked lifting equipment (Tyrolean Lifts and Lifting Equipment Regulation 2015 – TAHV 2015), Provincial Law Gazette (*LGBL.*) No 70/2015, entered into force on 29 July 2015 and was published as *LGBL.* No 58/2026, as amended.

The purpose of this amendment is to facilitate the application of the emergency call system.

B.

The adoption of a regulation corresponding to this draft does not entail any additional financial expenditure for the Province of Tyrol or for the municipalities.

II.

Comments regarding the individual provisions

As regards Article I:

As regards point 1 (Section 1(2)):

The background to the current authorisation to apply ÖNORM B 2458:2025-03-15 is that the application of the emergency call system should be facilitated.

As regards point 2 (Section 2a(3)):

The draft regulation in question amended additional specifications and rules. There has been a substantial amendment pursuant to Section 2(9) of the Tyrolean Notification Act (*Tiroler Notifikationsgesetz*), and a notification procedure pursuant to Section 1 of the Tyrolean Notification Act had to be carried out.

As regards Article II:

This provision regulates the entry into force.
