5. article 6, paragraph 7, of Directive (EU) 2015/1535

6. On 15 September 2026, the Polish authorities notified under reference 2026/502/PL the draft 'Regulation of the Minister of Digital Affairs on the technical conditions of electricity supply to telecommunications buildings or telecommunication premises' and requested the urgent adoption procedure provided for in Article 6 (7) of Directive (EU) 2015/1535.

Following examination of the draft, the Commission is of the opinion that the claim for urgent adoption is justified.

The fact that the Commission accepts the urgency of this case in no way prejudices its assessment of the compatibility of the notified measure with European Union law.
