6. On 10 June 2025, the Swedish authorities notified to the Commission under reference 2025/287/SE the draft "Ordinance amending the Ordinance (1999:58) prohibiting certain products that are harmful to health" and requested the urgent adoption procedure provided for in Article 6(7) of Directive (EU) 2015/1535. It is recalled that according to Article 5 (1) of Directive (EU) 2015/1535 notifications are to be made at draft stage.

Following examination of the draft the Commission is of the opinion that the claim for urgent adoption is justified.

The fact that the Commission accepts the urgency of this case in no way prejudices its assessment of the compatibility of the notified text with European Union law.
