1. Draft details

Draft title:	Draft government amendments to the bill on official controls of animal feed and repealing the amended Act of 19 May 1983 regulating the manufacture and trade of animal feed		
Initiating minister:	The Minister for Agriculture, Food and Viticulture		
Author(s):	Marie-Christine Turbang		
Telephone:	(+342) 247-72515	Email:	marie-christine.turbang@ma.etat.lu
Objective of the draft:	The purpose of the present draft government amendments is to amend the above-mentioned draft law in order to take account of the opinions of the Council of State and the professional chambers and to align it with the other draft sectoral laws on official controls.		
Other Ministry(ies)/ Agency(ies)/ Municipality(ies) involved:			
Date:	16/09/2025		

2. Objectives of constitutional value

Does the draft contribute to the achievement of objectives of constitutional value? Yes No

If yes, please select the relevant objectives and provide a brief explanation in the "Comments" box indicating how this/these objective(s) are achieved:

- Guarantee the right to work and ensure that this right is exercised
- Promote social dialogue
- Ensure that everyone can live with dignity and has adequate housing
- Ensure protection of the human and natural environment by working to establish a sustainable balance between conserving nature, particularly its capacity for renewal, safeguarding biodiversity and meeting the needs of present and future generations
- Commit to tackling climate change and working towards climate neutrality
- Protect animal welfare
- Promote access to culture and the right to cultural fulfilment
- Promote the protection of cultural heritage
- Promote the freedom of scientific research while respecting the values of a democratic society based on fundamental rights and civil liberties

Comments:

3. Better regulation
