1. Draft details

Draft title:	Draft amending the Law of 8 September 2022 establishing and organising the Luxembourg Veterinary and Food Administration		
Initiating minister:	The Minister for Agriculture, Food and Viticulture		
Author(s):	Marie-Christine Turbang		
Telephone:	247-72515	Email:	marie-christine.turbang@ma.etat.lu
Objective of the draft:	The draft aims to amend the Law of 8 September 2022 establishing the Luxembourg Veterinary and Food Administration (ALVA) in order to take into account the opinions of the Council of State No 61.359, 61.419 and 61.628 on future sectoral laws relating to official controls on foodstuffs, animal feed and animal health.		
Other ministries / bodies / municipalities involved:			
Date:	16 September 2025		

2. Objectives of constitutional value

Does the draft contribute to the achievement of objectives of constitutional value? Yes No

If yes, please select the relevant objectives and provide a brief explanation in the "Comments" box indicating how this/these objective(s) are achieved:

- Guarantee the right to work and ensure that this right is exercised.
- Promote social dialogue.
- Ensure that everyone can live with dignity and has adequate housing.
- Ensure protection of the human and natural environment by working to establish a sustainable balance between conserving nature, particularly its capacity for renewal, safeguarding biodiversity and meeting the needs of present and future generations.
- Commit to tackling climate change and working towards climate neutrality.
- Protect animal welfare.
- Promote access to culture and the right to cultural fulfilment.
- Promote the protection of cultural heritage.
- Promote the freedom of scientific research while respecting the values of a democratic society based on fundamental rights and civil liberties.

Comments:

3. Better regulation

- Chamber of Commerce
- Chamber of Agriculture

¹Please indicate the professional chamber(s) seized of the draft under the heading following its approval by the Government Council.

2) Other stakeholders (different organisations, citizens, etc.) to be consulted for their opinion: Yes No

If so, which one(s):

College of Veterinary Surgeons

Comments/observations:

3) If EU directives are transposed, is the principle of 'the directive, nothing but the directive' respected? Yes No N/A²

If not, why?

4) Those affected by the bill:

- Businesses/professions: Yes No
- Citizens: Yes No
- Administrations: Yes No

5) Is the "think small first" principle respected? Yes No N/A²
(i.e. are exemptions or derogations based on the size of the company and/or its sector of activity?)

Comments/observations:

6) Does the project contribute to administrative simplification, notably by removing or simplifying existing authorisation and declaration schemes, reducing administrative response times, reducing the administrative burden on recipients or improving the quality of procedures or regulations? Yes No

Comments/observations:

7) Does the bill in question contain specific provisions concerning the protection of individuals with regard to the processing of personal data? Yes No N/A²

If yes, what data and/or administration(s) are involved?			
8) Is staff training needed in the administration concerned?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> N/A ²
If yes, which one?			
Comments/observations:			
² N/A : not applicable.			

4. Digitalisation and data

9) Is it necessary to adapt any IT system at State level (e-Government or back-office application)?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
If so, what is the timeframe for having the new system available?		
10) Does the draft take into account the digital by default principle?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
11) Does the draft introduce an administrative procedure that requires the collection of personal data relating to members of the public?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
If so, can that personal data or information be obtained from one or more administrations in accordance with the "once only" principle?		
12) Does the project envisage the creation or adaptation of a database?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No

5. Equal opportunities (to be completed for draft Grand-Ducal regulations)³

13) Is the draft:			
- mainly focused on equality between women and men?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	
- positive in terms of equality between women and men?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	
If yes, explain how:			
- neutral in terms of equality between women and men?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	
If yes, explain why:			
- negative in terms of equality between women and men??	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	
If yes, explain how:			
14) Is there a different financial impact on women and men?	<input type="checkbox"/> Yes	<input type="checkbox"/> No	<input checked="" type="checkbox"/> N/A ²

If yes, explain how:

³For draft laws, please refer to point 1 “Ensuring social inclusion and education for all.” of the sustainability check (Nohaltegkeetscheck).
