5. article 6, paragraph 7, of Directive (EU) 2015/1535

6. On 2 March 2026, the Dutch authorities notified under reference 2026/98/NL the draft "Decree amending lists I and IA of the Opium Act in connection with the inclusion of a product on list I and the addition of a substance group to list IA" and requested the urgent adoption procedure provided for in Article 6 (7) of Directive (EU) 2015/1535.

Following examination of the draft, the Commission is of the opinion that the claim for urgent adoption is justified.

The fact that the Commission accepts the urgency of this case in no way prejudices its assessment of the compatibility of the notified measure with European Union law.
