5. Regulations amending the Swedish Transport Agency's regulations and general advice (TSFS 2021:103) on non-commercial operations with certain aeroplanes and certain helicopters;

6. Non-commercial air operations with light aircraft and helicopters

7.

8. The regulations extend the scope of the Transport Agency's regulations and general guidelines (TSFS 2021:103) on non-commercial operations with certain aeroplanes and certain helicopters to also include centre of gravity-controlled aeroplanes covered by point 1(e) and gyroplanes covered by point 1(f) of Annex I to Regulation (EU) 2018/1139 of the European Parliament and of the Council. This means that such aircraft will be subject to the rules contained in TSFS 2021:103, including rules related to safety requirements for equipment and instruments.

9. The proposed technical regulations are to be notified under Directive (EU) 2015/1535 of the European Parliament and of the Council of 9 September 2015 laying down a procedure for the provision of information in the field of technical regulations and of rules on Information Society services. The regulations intend to create targeted, proportionate and balanced regulations designed so that the rules cover and ensure that the technology developed over the last 20 years is used safely.
