4. 2025/0357/FI - X10M - Precious metals

5. Government proposal to Parliament for an Act amending the Act on Articles of Precious Metals
Amendment of the Government Decree on Articles of Precious Metals

6. Precious metal products referred to in the Act on Articles of Precious Metals (1029/2000), subject to the

exceptions laid down in the Government Decree on Articles of Precious Metals (1148/2000).

7.

8. The proposal sets forth amendments be made to the Act on Articles of Precious Metals and the Government Decree on Articles of Precious Metals concerning, among other things, definitions, requirements for precious metal products and the rights of the supervisory authority. In addition, it proposes additions similar to those made to the Convention on the Control and Marking of Articles of Precious Metals (Finnish Treaty Series 17/1975) with regard to the approved standard of fineness in articles of precious metals. It is proposed that certain requirements of the Convention be clarified in the Act. The amendment implements certain technical changes and clarifications that the Finnish Safety and Chemicals Agency has identified in its supervisory activities or deems otherwise appropriate to implement.

9. The aim of the proposal is to supplement the legislation on articles of precious metals in order to bring it more into line with the requirements of the Hallmarking Convention. In addition, it aims to implement certain changes and specifications of a technical nature that have been identified by the Finnish Safety and Chemicals Agency in the course of its supervisory activities or otherwise deemed appropriate. Legislative amendments are proposed for both the Act on Articles of Precious Metals and the Decree on Articles of Precious Metals.
