5. article 6, paragraph 7, of Directive (EU) 2015/1535

6. On 19 February 2026, the Czech authorities notified under reference 2026/0084/CZ the “Draft Government Regulation amending Government Regulation No 458/2013 on the list of starting materials and adjuvants and their annual quantitative limits, Government Regulation No 463/2013 on lists of addictive substances, as amended, and Government Regulation No 11/2025 on the list of scheduled psychoactive substances, as amended by Government Regulation No 534/2025”, and requested the urgent adoption procedure provided for in Article 6 (7) of Directive (EU) 2015/1535.

Following examination of the draft, the Commission is of the opinion that the claim for urgent adoption is justified.

The fact that the Commission accepts the urgency of this case in no way prejudices its assessment of the compatibility of the notified measure with European Union law.
