5. Fifty-Eighth Ordinance amending the Feed Ordinance

6. Compound feed for ruminants

7.

8. Amendment to § 6(1) and Annex 2 of the Feed Ordinance, which sets out the labelling requirements for

compound feed for ruminants.

Addition of penalties for violations of Regulation (EU) 2019/4 on medicated feed.

9. Adaptation of the energy assessment of compound feed for ruminants in accordance with the revision of the recommendations on energy and nutrient requirements for ruminants by the Committee of Nutrient Requirements of the Society of Nutrition Physiology. The recommendations for energy supply based on net energy for lactation (NEL) have been superseded and replaced by metabolisable energy (ME).

9a. The new calculation formula was developed on a scientific basis by the Committee of Nutrient Requirements of the Society of Nutrition Physiology.

9b. Where compound feed manufacturers label the energy content of compound feed for ruminants, this shall be done on the basis of the new calculation formula.

9c. The amendment is proportionate to the relevance.
