4. 2026/0147/AT - I30 - Lifting machines and equipment

5. Regulation of the Upper Austrian Provincial Government concerning equipment, personnel, training and hazard prevention and development planning in the fire service (Upper Austrian Fire Service Equipment and Planning Regulation - Upper Austrian APV)

6. Equipment for emergency vehicles and fire stations

other affected products:

C00C - CHEMICAL PRODUCTS; in particular special extinguishing agents (dry extinguishing agents, foam agents, carbon dioxide, extinguishing gases)

7.

8. This regulation essentially governs the organisation and equipment of the fire service in Upper Austria. It first defines how fire brigades are structured and what tasks and equipment they must have. In addition, the regulation contains provisions concerning fire stations, extinguishing agents and alarm systems, as well as concerning the equipment of fire service vehicles. The regulation stipulates at various points that these products must comply with the state of the art; this state of the art is also defined in more detail in the regulation.

9. The regulation aims to ensure a uniform and needs-based organisation and equipment of the fire brigades in Upper Austria.
