6. On 14 July 2025, the German authorities notified to the Commission the draft "Ordinance amending Annexes to the Narcotics Act and the New Psychoactive Substances Act" (Notification 2025/377/DE) and requested the urgent adoption procedure provided for in Article 6(7) of Directive (EU) 2015/1535. Following examination of the draft the Commission is of the opinion that the claim for urgent adoption is justified.

The fact that the Commission accepts the urgency of this case in no way prejudices its assessment of the compatibility of the notified text with European Union law.
