5. article 6, paragraph 7, of Directive (EU) 2015/1535

6. On 13 August 2025, the Bulgarian authorities notified under reference 2025/444/BG the draft “Order prohibiting the export of certain medicinal products” and requested the urgent adoption procedure provided for in Article 6 (7) of Directive (EU) 2015/1535.

It is recalled that according to Article 5 (1) of Directive (EU) 2015/1535 notifications are to be made at draft stage.

Following examination of the draft, the Commission is of the opinion that the claim for urgent adoption is justified.

The fact that the Commission accepts the urgency of this case in no way prejudices its assessment of the compatibility of the notified measure with European Union law.
