

Draft

Regulation of the Federal Minister for Housing, Arts, Culture, Media and Sport on the establishment of air interfaces for radio equipment 2025 (Verordnung des Bundesministers für Wohnen, Kunst, Kultur, Medien und Sport betreffend die Festsetzung von Luftschnittstellen für Funkanlagen 2025 – Funkschnittstellen-Beschreibungsverordnung – FSBV 2025)

On the basis of Section 3(4) of the Radio Equipment Market Surveillance Act (Funkanlagen-Marktüberwachungs-Gesetz – FMaG 2016), Federal Law Gazette (BGBl.) I No 57/2017, as last amended by the Federal Act published in BGBl. I No 54/2024, the following is hereby decreed:

Contents

Section 1. (1) This Regulation establishes the radio interfaces for radio equipment listed in the table in point A of the **Annex**.

(2) The table under point A of the **Annex** contains, in

1. column 1, the type of frequency utilisation;
2. column 2, the designation of the radio interface description;
3. column 3, the date of issue; and, in
4. column 4, the number under which the radio interface description was notified.

References to other legal provisions

Section 2. (1) If this Regulation refers to other regulations or federal acts, these are to be applied – unless otherwise expressly ordered – in their current version.

(2) The definitions and abbreviations of the Frequency Utilisation Regulation 2013 (Frequenznutzungsverordnung 2013 – FNV 2013, BGBl. II No 63/2014, as amended, are applicable.

Publication

Section 3. The telecommunications office shall publish the radio interface descriptions (FSB) established by this Regulation on its homepage and keep them available for inspection at its offices during opening hours.

Entry into force and expiry

Section 4. This Regulation shall enter into force on the day following its promulgation. At the same time, the Radio Interface Description Regulation, BGBl. II No 65/2014, as amended by the Regulation published in BGBl. II No 318/2019, shall expire.
