5. article 6, paragraph 7, of Directive (EU) 2015/1535

6. On 30 October 2025, the Dutch authorities notified under reference 2025/653/NL the draft 'Regulation of the Minister for Infrastructure and Water Management, of..., No IENW/BSK-2025/265526, amending the Regulation on the designation of consumer fireworks in connection with the restoration of an omission' and requested the urgent adoption procedure provided for in Article 6 (7) of Directive (EU) 2015/1535.

Following examination of the draft, the Commission is of the opinion that the claim for urgent adoption is justified.

The fact that the Commission accepts the urgency of this case in no way prejudices its assessment of the compatibility of the notified measure with European Union law.
